#### **Prayer for Grandparents**

Lord Jesus, you are born of Saint Joachim and Anne. Look with love on grandparents the world over.

Protect them! They are a source of enrichment for families, for the Church and for all of society.

Support them! As they grow older, may they continue to be for their families strong pillars of Gospel faith, guardian of noble domestic ideals, living treasures of sound religious traditions. Make them teachers of wisdom and courage, that they may pass on to future generations the fruits of their mature human and spiritual experience.
