**Shared Mass Intentions:** Due to the fact that we are limited to a single Mass in each Parish at the weekends, the volume of mass intentions have increased. As a result of this, we feel it is necessary to limit the number of intentions to no more than four intentions per mass. As always we trust that you will respect this request. As addressed before, a priest is allowed only to take one stipend per day per mass, that means that whenever there are a number of intentions for a mass he can only take one stipend or donation, the rest is sent to Religious or Missionary Orders who celebrate additional masses.

**Month of the Holy Souls:** In November we remember and pray for the faithful departed in a special way. In our churches a number of masses will be offered for the deceased members of our families. It would be appreciated if you would bring in the list of those you wish to be prayed for with donation for next week end (envelope in your offertory Box). These envelopes may be put into the weekly Offertory Baskets or left in special box close to altar before each mass.
