A Tribute to All Mothers

There are times when only a Mother's love can understand our tears,
Can soothe our disappointments, and calm all of our fears.

There are times when only a Mother's love, can share the joy we feel,
When something we've dreamed about, quite suddenly is real.

There are times when only a Mother's faith, can help us on life's way,
And inspire in us the confidence, we need from day to day.

For a Mother's heart and a Mother's faith, and a Mother's steadfast love, are wonderful gifts given to us,
By The God of Love.
